In teaching you cannot see the fruit of a day's work. It is invisible and remains so, maybe for twenty years. - Jacques Barzun

Planning for the 2024-2025 School Year:

As summer approaches, your admin team is thinking about next school year.

- Carpool tag numbers will change. Every child will get a new number. If you need family tags, email Ms. Davis with your students' names & grade levels – cdavis14@ebrschools.org
- Dates for the 2024 Teacher Meet & Greet will be posted on the school's website mid-July.
- On the school's website – brflaim.org – several links are there that can support your child's summer continued learning (and to help fight summer boredom).
